Order Form B No.: BS-OF-26-0202
Package Date: 14 July 2026

This Order Form Package consists of Order Form A and Order Form B, both entered into on the Package Date between **Brackenfield Systems Limited**, a company incorporated in Ireland with registered number 712408 and its registered office at Unit 4, Glasnevin Technology Park, Dublin 11, D11 KX27, Ireland ("**Brackenfield**"), and **Carrowkeel Shared Services Group Limited**, a company incorporated in Ireland with registered number 593027 and its registered office at Cork Road Business Park, Mitchelstown, Co. Cork, P67 HX45, Ireland (the "**Customer**"), customer account CUST-1016.

Each Order Form is governed by the Brackenfield Cloud Services Terms, version 4.2, and the Brackenfield Professional Services Terms, version 2.1 (together, the "**Terms**"), which are incorporated by reference. If an Order Form conflicts with the Terms, the Order Form prevails.

Order Form A: Subscription

Item	Service	Quantity	Price	Term	Fee
A1	Brackenfield Ledger Cloud - Enterprise edition, site subscription (up to 120 named users), product code LC-ENT-SITE	1	EUR 48,000.00 per year	12 months	EUR 48,000.00

A.1 The Subscription Term begins on 1 August 2026 and ends on 31 July 2027. Brackenfield will invoice EUR 48,000.00 on 1 August 2026, payable within thirty (30) days.

A.2 Brackenfield's standard price for the site subscription is EUR 60,000.00 per year. The price in this Order Form A is EUR 48,000.00 because the Customer signs Order Form B on the same date as part of one programme. The discount is available only because the Customer signs Order Form B. If Order Form B is cancelled or not performed by reason of the Customer's default, Brackenfield may withdraw the discount and invoice the difference.

A.3 The Customer shall not have the right to take possession of the Software at any time. The Service is hosted by Brackenfield and performs materially in accordance with the Documentation; this warranty cannot be purchased or extended separately.

Order Form B: Implementation

Item	Service	Quantity	Price	Fee
B1	Implementation Services (fixed fee), product code PS-IMPL: configuration of the subscription in Order Form A, data migration and user set-up, as described in Schedule 1	1	EUR 30,000.00	EUR 30,000.00

B.1 Brackenfield will perform the Implementation Services between 1 August 2026 and 30 November 2026, using an estimated 200 hours of its consultants. The fee is fixed whatever the hours worked. Brackenfield's standard price for the Implementation Services when sold separately is EUR 30,000.00.

B.3 The Implementation Services are configured to the Customer's own Brackenfield tenant and cannot be used for any other customer. If the Customer terminates Order Form B for convenience, it will pay the fee for the Implementation Services performed up to the date of termination, plus a reasonable margin.
